A VOTER'S OPINION

(EDITORIAL)

Campbell voters again have the opportunity to go to the polls and vote for their choice of a number of candidates and issues. It is an opportunity that only the free may enjoy. And to remain free that right must be exercised. We can only reiterate what has been said numerous times before—that it does not make too much difference on what side of the political fence a voter happens to be—the important thing to conserve our way of life is the necessity of voting. It is our heritage and we must keep faith.

After studying and balancing the merits of the various candidates and issues The Campbell Press feels that a vote for Governor Earl Warren is an expression of faith in continued good government. His record has always been above reproach. The office of governor has been conducted in the most efficient and businesslike manner since the time of Hiram Johnson.

For U. S. Senate we urge a 'yes' vote for Richard Nixon. We feel that a comparison of records of both contestants while in Congress leves no alternative.

And in Santa Clara county's 29th Assembly race we recommend Charles S. Gubser. We feel that he is closer to the pulse of our county than his opponent. His keen grasp of the water situation coupled with his farming and teaching experience make him the outstanding candidate.

On the eleven state ballot proposals we recommend the following vote:

1.—Personal property taxation..... NO
2.—Constitutional amendments and Laws Naming persons to office..... YES
3.—Inferior court reorganization..... YES
4.—Eligibility to vote..... YES
5.—Legislators..... NO
6.—Legalizing and Licensing Gambling..... NO
7.—Chiropractors..... NO
8.—Compensation of Local Officers..... NO
9.—State Civil Service..... YES
10.—Public Housing Projects, Requiring an Election to Establish..... YES

School District Trustees Approve Principles For Boundary Settlements

Principles for settlement of problems arising as a result of boundary changes in school districts were approved Saturday at a meeting of trustees of Campbell Union School District.

The principles, which were also recently approved by San Jose Board of Education will be referred to the County Counsel with a request that they be included in proposed legislation. The proposed legislation will then be submitted to the Assembly Interim Committee on Education for study, and introduced into the State Legislature at the 1951 session.

Problems covered by the proposed legislation include transfer of property and attendance of pupils in areas affected by changes in boundaries.

SCHOOL BOND ELECTION DEC. 14

Petition Asks Police District For Campbell

A petition bearing 100 signatures was filed with the Santa Clara County Board of Supervisors this week asking formation of a 20-square mile Campbell Police Protection District.

County Counsel Howard W. Campen who is checking the petition said yesterday that a hearing date has not yet been set by the Board of Supervisors.

The American Legion Patrol, which now furnishes police protection to Campbell on a volunteer basis, is backing action to form the district.

The district, under present plans, would own no real property. Thus supervisors could, after public hearings, declare the district formed without an election. Tax revenue for the district would be limited to one-half of one per cent of assessed valuation.

The patrol will continue in an auxiliary capacity after the protection district is formed, according to Lt. Rex A. Kaber.

He also stated that arrangements will be concluded witht the Campbell Volunteer Fire Department for desk and locker space in the Central Avenue fire house which is soon to be built. The district's proposed eight full-time patrolmen and patrol cars would be dispatched through the County Communications Center.

Official and legal boundary descriptions of the district will be published in the Campbell Press at a later date.

Extension Service To Demonstrate Holiday Finery

Ideas and suggestions for holiday table decorations, menus appropriate for the coming seasons, and the preparation and freezing of foods will be on the program of the Agricultural Extension Service demonstration meeting next Friday, November 10.

Mrs. Winifred Jecker, county demonstrator, will be in charge of the session in the Methodist parish house next to the Methodist church. The hours will be from 10 a.m. to 12 noon.

The Campbell group of the Agricultural Extension Service extends a cordial invitation to all women of this community who are interested to attend the meeting.

Campbell Youths Sentenced On Battery Charges

Raymond Von Gunder and John Ritsman of Campbell were charged with battery recently following an incident occuring on the Old Santa Cruz Highway in which Wesley Downing of Los Gatos reported that he was assaulted and his car damaged. They will be held until release by the California Youth Authorities according to the Santa Clara County sheriff's office.

Both boys are parolees from Preston Reformatory. Von Gunder pleaded guilty before Justice of the Peace John P. Dempsey to battery and malicious mischief charges. He received a five day jail sentence.

Ritsman first pleaded not guilty to both charges and then changed his plea to guilty on malicious mischief charges. The battery charges were dropped and he received a five day sentence in the county jail.

Three other Campbell youths who pleaded not guilty will go on trial later this month.

Grammar Touch Team Wins, 20-0

Campbell won its first football game of the season Wednesday afternoon . . . Campbell Elementary school that is.

Proving rude guests the sixth graders, under the coaching of Mr. Duane Beaubien of the faculty, manhandled (boy handled is more appropriate) Moorpark grammar school, 20 to 0, in a "touch" tilt.

A more spirited group of gridders cannot be found anywhere this side of Alum Rock.

With both teams running, blocking and pushing in seven different directions, the local aggregation tallied three touchdowns and one safety.

Heroes around campus are the three TD makers, Buddy (Speedy) Scibner, Greg (Galloping Ghost) Hoffman, and Bruce (Box-Car) Biles.

Beaubien said that plans are still in the making for an elementary league among surrounding schools.

His terrors next meet the Jefferson Union crew with Cupertino waiting next week.

Mario Saia Chairmans Campbell Group Supporting Nixon For U. S. Senator

Another prominent citizen has agreed to assume the chairmanship of a local committee in Campbell in support of Richard Nixon for U.S. Senator in the person of Mario Saia. Mr. Saia is a Campbell business man, a director of the Rotary Club in Campbell and a director of the Campbell Chamber of Commerce.

"I have studied the records of Congressman Nixon and of his opponent," said Mr. Saia, in announcing his acceptance, "and I am convinced that Mr. Nixon is by far better qualified to represent Californians in our national government. Mr. Nixon has all the essential qualities of real statesmanship that befit the high office of United States Senator. He is courageous, forthright, sincere, and resourceful. His work in Congress has been inspirational and has proven him a truly great American. I have no doubt that if the voters will compare his record with that of Mrs. Douglas, they will not hesitate to vote for Mr. Nixon."

Members of the Campbell Committee for Nixon are: Saia, Robert Hicks, Guy Smith, Forrest Reese, Karl Bohnett, William Lloyd, Frank Steindorf, Wilbur Mitchell, Herbert M. Shadle, Clifford Cassidy and Eugene Barnes.

Frank Steindorf Urges Election Of C. S. Gubser

Frenk Steindorf, well known Campbell rancher and community leader, today urged election November 7 of Charles S. Gubser as State Assemblyman from the 29th District.

"Charlie" Gubser has proved that he has the qualities of integrity and honesty that we, in the 29th Assembly District, need in an Assemblyman," Steindorf declared.

"Gubser's background, his training, his interest in civic matters and his experience in working effectively with people and groups will be invaluable in helping solve this District's problems. In fact, I believe he will help bring about better government for all of us. I strongly urge your support of Charlie Gubser in the general election November 7."

LOCAL COMMITTEE

The Campbell Gubser-for-Assemblyman committee includes, in addition to Steindorf, Eugene W. Barnes, Karl Bohnett, J. M. Dahl, Carl Field, R. B. Hummel, Homer Hyde, Ralph Hyde, William N. Lloyd, Forrest Reese, Mario Saia and H. M. Shadle.

Gubser, who is seeking the assembly seat vacated by John F. (Jack) Thompson, is a farmer and small businessman who still resides on the farm near Gilroy where he was born 34 years ago.

Gubser has stated that among the major issues for which he will work in the Assembly are: a practical water program for Santa Clara Valley, which would conserve present supplies and bring in additional water from outside sources; adequate educational opportunities for all; efficiency and economy in government, with a view to holding taxes to a minimum; a progressive social welfare program within the ability of the commonwealth to support; and a return of many governmental functions from the State and Federal levels to the local level where the voters can exercise more direct control.

C of C Directors To Have Meeting Next Monday

Board of directors of the Campbell Chamber of Commerce will have a meeting in the Campbell Press office on Monday, November 6, at 8 p.m. All officers, directors and organization representatives are urgently requested to be on hand.

In addition to other representatives of organizations listed last week, Secretary-Manager Forrest Reese has announced that T. A. Robison has been named the delegate of Ethan Lanphear Post 6305, Veterans of Foreign Wars.

BLOOD BANK VISIT SET FOR NOV. 27

J. F. Bud Levenberg, Red Cross blood procurement chairman for the Campbell area, has announced that next visit of the mobile collection unit to this community has been scheduled for Monday, November 27.

All Campbell residents who are able to do so are urged to contribute blood at that time. Blood will be used for care of wounded servicemen in Korea, as well as for emergency needs of Campbell residents.

Traffic Violators Paid $354 in Fines Here In October

Justice of the Peace Martin S. Walsh reported that his office in Campbell accepted $377.75 in traffic fines and civil fees during the month of October.

Of the total amount, traffic fines totalling $354 constituted the bulk of receipts. These included fines assessed against speeders, two drunk drivers and other drivers who failed to observe stop signs. The balance of $23.75 was for civil fees.

QUALIFYING ELECTION WOULD ENTITLE DISTRICT TO ACCEPT STATE AID MONIES UP TO 2¼ MILLION DOLLARS

December 14 is the date set for voting on the $235,000 bond issue which will qualify Campbell Union School District to receive $1,663,588,94 in state aid money, Superintendent William C. Henley announced this week.

Polls will be open from 7 a.m. to 7 p.m. at Campbell Grammar School, Glaze Hardware Company, 536 Bascom Avenue; Moorpark School and San Tomas School.

Purpose of the election is to secure $1,898,588.94 to complete three existing schools, purchase four new school sites, build five new schools, build a small district administration building and purchase furniture and equipment.

The election is to authorize trustees of the district to accept monies from the state on a loan basis up to $2,250,000. The district has already been approved for $1,663,588.94, but due to rising costs, it may be necessary to have authority to receive additional state money if necessary. This money is to be returned to the state if and when the district is able to do so.

No money will be returned to the state until the tax rate for bond redemption has been reduced below 40c per $100 of assessed value and at no time will the bond rate and the rate on the state loan exceed the 40c rate.

All schools to be built under the proposed state aid plan will have cafetoriums, kindergartens, offices and some ground improvements. The five new schools would provide 57 more classrooms. There are now 63 rooms and 80 classes.

District enrollment has increased from 1000 in 1944 to 2600 in 1950. The district officers estimate enrollment will be 3600 by 1952, and 5000 by 1954. By 1951 an estimated 38 classes are expected to be on double session.

Present facilities consist of 63 classrooms for 80 classes.

Roderick Hinman Dies In Oregon At Age Of 6 Years

Funeral services for Roderick Thornton Hinman, 6, son of Mr. and Mrs. J. R. Hinman of Denio Oregon, were held in Redding on Friday, October 27. The boy's mother is the former Ruth E. Townsend of Campbell, a graduate of Campbell high school and San Jose State College.

Services were held in All Saints Episcopal church, the Rev. James Price officiating. Interment was in the family plot at Redding cemetery.

Cause of the boy's sudden death at his home in Denio Tuesday of last week still is not known. He was born in Redding and had visited there many times. He was known in Campbell as Rory, and had visited here and attended the Sunday school of his mother's church, the Campbell Congregational Church.

In addition to his parents he leaves a brother, Cameron D. Hinman of Denio; uncles and aunts, Dr. and Mrs. H. T. Hinman of Redding, Mr. and Mrs. H. D. Townsend of Atwater, Mr. and Mrs. J. D. Townsend of Aztec National Monument, New Mexico, and Mr. and Mrs. Gordon Sullivan of Seattle, Washington; grandparents, Mrs. Harry T. Hinman of Redding and Dr. and Mrs. A. B. Townsend of Graton, Sonoma County. The latter are former Campbell residents who lived here for 50 years.

Junior Chamber Annual Whist Date

Second annual benefit whist party of the Campbell Junior Chamber of Commerce will be held November 18 at 8 p.m. in the Campbell High School gymnasium. Refreshments will be served and special events for the program have been planned.

The public is invited to attend.

TRUSTEES ACCEPT PLAYGROUND BID

Bids for fencing and paving of playground equipment areas at schools of Campbell Union District were accepted by trustees at a meeting last Saturday.

The fencing and paving of equipment areas as a safety measure is being carried out in accordance with recommendations of the Playground Equipment Committee of the district. Shavings will cover the pavement. Superintendent William C. Henley estimates th job will cost about $3000.

Teen Age Folk Dance Enthusiasts Invited To Join Campbelleros

Campbelleros, teen age folk dance group has issued an invitation to all interested high school youngsters to join the informal organization which meets on alternate Sunday evenings in the rumpus room at the Family Food Lockers, Quito Road.

Next meeting will be this coming Sunday evening. Hours are from 6 to 9 p.m. Majority of the members are Campbell High School pupils. Jim Peterson and Walter Williams are the advisors. Ray Williams is president of the Campbelleros. The group features its own square dance caller.

Campbelleros are planning to attend the folk dance festival to be held in Oakland early in December. In addition, the group is considering tentative plans to put on two exhibition shows at Campbell High School auditorium, one for the student body and the other for a variety show.

Dr. Gustav Fassin Interclub Speaker

Dr. Gustav Fassin of Los Gatos spoke on the current international situation for the inter-club meeting of San Lorenzy Valley and Campbell Kiwanis clubs. Twenty from the Campbell club drove to the San Lorenzo valley for the luncheon session Wednesday evening, October 25.

HIGH SCHOOL STUDENTS TO ENTER JAYCEE PUBLIC SPEAKING CONTEST

"I Speak for Democracy" will be the theme of a public speaking contest for all high school youngsters in Campbell which the local Junior Chamber of Commerce is sponsoring this month. Winner of the local contest will compete with state and national contestants in the nation-wide contest.

Deadline for the local contest is Noember 18. Kenneth Wallace, high school teacher, is in charge of the program and will provide interested students with particulars about the contest.

Students are to prepare their own speeches and entrants will be heard by a board of prominent Campbell residents who will determine the Campbell winner.

The local winner will record his speech and the recording will be sent on to the state contest. Winner of the state contest will be sent, all expenses paid, to the national finals to be held in Washington, D.C. Frank Pierson is the Jaycee chairman of the speech contest.

Supervisors OK School Bond Sale Bids For $950,000 Issue to Open

Authorization for sale of $950,000 in school bonds was granted Monday to Campbell Union High School District by the County Board of Supervisors. Sealed bids will be received by the board and opened on Monday, November 13 at 11 a.m.

Bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any.

Assessed valuation of all taxable property in the district, on basis of the 1950-51 equalization assessment roll, is $24,593,320, including the Bradley Manor No. 3 area. Legal proceedings are now pending involving validity of annexation by San Jose of Bradley Manor. Assessed valuation of the property within Bradley Manor No. 3 is $1,877,930.

If the courts finally determine that Bradley Manor No. 3 was legally annexed to San Jose, assessed valuation of taxable property in the district would be reduced to $22,720,390.

In the opinion of bond counsel, the legal proceedings questioning validity of the annexation election do not affect legality of the bonds of the district or right of the district to issue and sell the bonds.

Legal opinion of Orrick, Dahlquist, Neff and Herrington approving validity of the bonds will be furnished successful bidder without charge.

Supervisors Hear Plea For County Road Speed Limit

A plea to establish a maximum speed limit of 35 miles per hour on the Los Gatos-Santa Clara road between Vasona Junction and the town limits of Los Gatos was submitted before the County Board of Supervisors Monday.

According to Henry Bykmans, of Los Gatos, author of the plea, many auto deaths and numerous injuries have occurred on the long, narrow winding road due to lack of speed enforcement.

Bymans also suggested that stops signs at corner intersecting the highway be erected. He further suggested that a highway patrolman be assigned to the locality.

The matter was referred to County Surveyor Robert B. Chandler and County Counsel Howard Campen.

Campbell Legion Post Celebrates 6th Anniversary

American Legion Post No. 596 and its auxiliary recently celebrated the post's anniversary with its annual potluck dinner, at the Campbell 100F Hall.

Mrs. William Burch, committee chairman, was assisted by the Mesdames Arthur Smith, Ethel Weeks, Leslie Fairchild, Barth O'Brien and Hannah Barber in serving the dinner, after which there was a joint meeting.

Many distinguished guests from the 13th District were present. Those called upon by Commander Ed Lee for short speeches were Vincent Sikes, Herman Newman, Clayton Sheets and Sidney Breneman. Auxiliary visitors called upon by President Ira Kaber were Mrs. Irene Newman, president of the 13th District; Mrs. Pieere Casaurang, past president and Mrs. Lillie Breneman, National Committee Woman.

President of the 13th District Mrs. Irene Newman will be welcomed by the Campbell Auxiliary at their first meeting in November.

Teacher Joan Pfeiffer Spent Year on Staff of U. S. Army School in Japan

In these days of rising prices, there is little room in the ordinary budget for a luxury such as foreign travel, yet Joan Pfeiffer, a sixth grade teacher at San Tomas School, recently spent a whole year in Japan, returning richer for the experience, and with a pocketbook no thinner than when she started. She satisfied at least part of her desire to see the world by signing up as a teacher in a United States Army School in Tokyo.

Miss Pfeiffer talked about her trip, and showed colored slides of scenes she had photographed, at a recent meeting of the Campbell Teacher's Association.

She was a teacher in a demonstration school in San Francisco when she decided to apply for the job. There was a long wait, and she almost gave up the project. Then came the notification and sailing orders.

She left San Francisco on an Army Transport in August, 1949. There was a one day stopover in Honolulu. The next port was Yokohama.

Teaching at a school for children of Army personnel in Tokyo, she says, is like teaching here. The curriculum is similar to the California course of study. Work in the school room ran smoothly. There were the same schedules, same vacations, and even the usual P.T.A. groups.

But there were differences, too. The superintendent was an old Army colonel, and the children in two classrooms might represent every one of the forty-eight states. Teachers were billeted in a hotel taken over by the Army. Meals were served under Army supervision, because native food was too risky. Many of the green vegetables came from the Army's hydroponic farms.

In Narimasu school where she taught, there were 25 teachers and 500 pupils. Tokyo has two other elementary schools of about the same size for children of Army personnel. There is also a high school. All the teachers, except one physical education instructor, were women. About half, she said, return home after a year.

Though the Army does not stretch salary payments through the summer months unless a teacher works in the Summer School, those signing up for a second year are given passage back home, and return, and a 26-day leave in the United States.

The appealing side of teaching in Japan, Miss Pfeiffer says, is the opportunity for weekend trips, and extended trips during vacations.

The teachers travelled by train, because fares are about half what they are here, and also because gasoline is 50 to 60 cents a gallon, and roads outside city limits are often impassable.

During Easter vacation she took a trip with several other teachers, to Kyushu, one of the southern islands. Shorter trips were taken to Atami, a resort with hot springs about 70 miles south of Tokyo. She also went up Mount Fujiama, and visited Mikimoto's Pearl Farm near Kyoto.

She liked Japan but found it not as romntically foreign or as colorful as she had expected. Houses, for instance, are unpainted, inside and out.

Asked about Japanese clothes, she said she thought they were pretty, but not as comfortable or practical as American dress, though Japanese, not being built for American fashions, look more graceful in their own styles.

Back in the family home, at 1045 Curtner Ave., San Jose, Japan still seems close because of the mementoes she brought back. In contrast to the usual unsubstantial souvenirs, Miss Pfeiffer has chinaware, teak cabinets, a nest of teakwood tables, a teak coffee table and folders filled with Japanese prints.

Asked what were some of the things she didn't like about Japan, and why she would rather be here, she said there was only one main reason—climate.

Marcella Rice Officially Visits Netops Council

Great Pocahontas Marcella Rice paid her official visit to Netops Council, degree of Pocahontas, in the Campbell IOOF Hall last week. Prior to the meeting Pocahontas Blanche Gilpatrick and Deputy Great Pocahontas Sarah Cunha feted the great Pocahontas and five new members at a dinner at a local restaurant.

Accompanying the great Pocahontas and introduced by her at the beginning of the business meeting were Opal St. Clair, great Wenonah; Inez Means, second great warrior; Stella Ely, past great Pocahontas, and 27 deputies and state committee members.

New affiliates taken into the order were Lillian Pellicone, Marguerite Shibles, Marie Infantino, Virginia O'Brien, Barbara J. Peterson and Viola Rogers.

Sharon Parker, keeper of records, presented the Council's gift to the great Pocahontas and Irene Hodges presented a gift to her from members of the past Pocahontas' club.

During the evening Harriet Thome, chairman of the welfare committee, displayed two layettes for needy mothers.

Ruth Livingston was appointed the representative of the council to met with the Garden Club Cherry Tree planning committee on November 9.

Contest blanks are now available for the thousand dollar scholarship that is sponsored each year by the Redmen and Degree of Pocahontas. Any person between the ages of 15 and 21 who is eligible for college by September of 1959 may participate. Contacts may be made by writing to the Council, P.O. Box 329, Campbell, or phoning Cypress 3-0243.

Refreshments were served at the close of the meeting by the committee composed of Irene Hodges, Sharon Parker, Bertha Hindle, Alma Fanning, Vivian Johnson, Veda Folden, Ruth Livingston, Margaret Drew and Edith Anderson.

Next 'meeting, a carnival, will be held at 8 p.m. and it is to be open to the public.

Inez Means, great second Warrior; Sarah Cunha, deputy great Pocahontas; and Tina Pawsey trailed to Seminole Council at San Francisco, Monday evening to visit the Council at their official visit of the great Pocahontas Marcella Rice.

CAMPBELL REGISTER

Campbell artist F. H. CUTTING is currently exhibiting 30 of his paintings at Park's Picture Shop, 332 E. Santa Clara St., San Jose. The art works, all of western scenes, consist largely of landscapes of the Carmel area and this vicinity.

Word comes from Oregon that MR. MARTIN ALLEN, former publisher of the Campbell Press, is still having difficulty with an ankle injury suffered some months ago. Mr. and Mrs. Allen have a home near Beaverton, Oregon. Mrs. Allen reports that harvesting of the filbert crop, THE crop in that area, is being hindered by constant rains.

MR. AND MRS. D. H. CRAMER, Campbell residents now on a year-long tour of this country and Mexico, were in Washington, D.C. on October 20 and enjoyed two days of sight seeing. There they had a reunion with another couple from Campbell, MR. AND MRS. GUY E. FARLEY, who had flown back to visit their son and his family, MR. AND MRS. PHILIP FARLEY. After leaving the nation's capital, the Cramers planned to visit the Gettysburg battlefield last Sunday, then go back to Toledo, Ohio, for a three weeks' rest and visits with relatives. In their card to Mrs. Edna F. Smith, the Cramers wrote that they have been having a wonderful trip and both are in good health so far. The leaves have been brilliant with fall colors everywhere except in New York. They like Quebec best of all the places they visited. Next best is New York. Washington, D.C., apparently failed to charm them. Mr. and Mrs. Cramer plan to spend Thanksgiving with their daughter-in-law in the south, then winter in Florida and Mexico.

MR. AND MRS. GUY E. FARLEY are home again after a two weeks' flying trip to Washington, D.C., where they visited their son, Mr. Philip Farley, and his family, and toured points of interest.

MRS. EDNA F. SMITH continues to recuperate at her home on Second Street from a severe sciatic inflammation. Although she suffered a setback Monday evening, Mrs. Smith hopes to be improving again by the time her son-in-law and daughter, Mr. and Mrs. Walter Krohn arrive from San Francisco to spend the weekend with her.

The Fred Smith home on San Tomas Road was the scene of a Smith family reunion last Sunday. Over 50 persons, including a brother and sister and numerous nephews, nieces, as well as sons and daughters gathered for a potluck dinner and an afternoon of games in the Smiths' rumpus room. Relatives came from Alameda, Hayward, Redwood City, Cupertino, San Jose and Campbell.

ANAMAE PEREIRA, proprietor of Anamae' Beauty Shop, Campbell, and Ethel Young, operator of a King City beauty shop, attended the hair style show at the Fairmont Hotel's gold room in San Francisco Sunday and Monday.

Ensign C. A. Olds, U. S. Navy, and his wife, Wanda, are making a brief visit with his parents. REV.

CONGRESSMAN Richard NIXON for U. S. SENATOR

CONGRESSMAN NIXON FOR UNITED STATES SENATOR

Congressman Nixon is courageous and fearless and will do all in his power to prevent any foreign ideology from overthrowing our constitutional form of government. He demonstrated his courage when he brought to light the evidence which resulted in the Alger Hiss expose.

Here is a comparison of the records of Congressman Nixon and Congresswoman Douglas:

	NIXON	DOUGLAS
STRONG NATIONAL DEFENSE	Voted for all Military Assistance programs, including Korea and Formosa, to stop the spread of Communism. Has always warned that we MUST have a strong national defense to hold back the Red Tide. Voted for statehood for Alaska and Hawaii.	Voted against the Selective Service Act of 1948. Favored giving the atom bomb secret away. Voted against aid to Greece and Turkey (which was part of the Truman Doctrine.) Opposed aid to China. Faile dto vote for statehood for Alaska and Hawaii in either 80th or 81st Congresses.
AID TO KOREA, FORMOSA AND CHINA	Voted for all military aid bills for Korea, Formosa and China. Supported economic aid to Korea, Formosa and other parts of Far East on February 9, 1950, but refused to support first bill on Jan. 19, 1950 because it gave economic aid to Korea ONLY and did not include Formosa.	Led the fight in the House Foreign Affairs Committee against aid of any kind to Formosa. Was outspoken proponent of economic aid to Korea only. Consistently voted against motions in House Foreign Affairs Committee to give assistance to anti-Communist China.
INTERNAL SECURITY AND COMMUNISM	Ranking minority member of House Committee on Un-American Activities. Credited with "breaking" Hiss case. Co-author of Subversive Activities Control Bill, requiring registration of Communists and officers of Communist-front organizations, barring government employment to Communists, and requiring labelling of Communist propaganda literature.	Always has opposed funds for Committee on Un-American Activities to Investigate Communism. On 14 different occasions voted with the notorious Communist party-liner Vito Marcantonio of New York against citing Communists and opposing other work of committee. AFTER KOREA, voted against Security Bill to weed poor security risks out of Atomic Energy Commission, State, Defense and other key government departments. Was joined by 13 other left-wingers, including Marcantonio, in this vote, which was 327-14. AFTER KOREA, voted 3 times against Communist control bill which passed overwhelmingly.
TAXES AND Extravagance In Government	Opposes wild spending and high taxes, but always favored and supported appropriations for STRONG DEFENSE. Favors excess profits tax.	Consistently votes for huge spending programs and against cutting taxes. Said she would talk to the President about Birmingham Hospital, but admitted later she did not do so.
VETERAN	Is a veteran of South Pacific and has aided veterans in every way. Fought to prevent closing of Birmingham Hospital, and introduced bill to have veterans hospital program investigated.	
SOCIALISTIC PLANNING	Opposes Brannan Farm Plan, Compulsory Health Insurance, and other socialistic schemes patterned after the British plan, which has failed — and which only add huge tax burdens.	

THE COMMUNIST NEWSPAPER, THE NEW YORK DAILY WORKER, IN ITS ISSUE OF JULY 28, 1947, SELECTED MRS. DOUGLAS ALONG WITH VITO MARCANTONIO OF NEW YORK AS "ONE OF THE HEROES OF THE 80th CONGRESS."

'Gift Of Gods' Says Innes Of Roney's Tenor Voice

By ROY INNES

Tenors — good ones — are not found around any corner—they are gifts from the gods! Gifted in voice and song came Louis Roney who opened the Los Altos-Mountain View Community concert series last week in recital in Mountain View Union High school auditorium.

Mr. Roney has everything one hopes for but seldom realizes in a tenor — a glorious vocal organ, brilliance, lyricism, and a refined sense of style. Added to this, a personality of magnetic charm and an easy informality of manner that put singer and auditors in close communion. His voice is a pure "spinto" — and such a singer these days can be counted on one's fingers. Throughout his wide compass the tone remained pure and vibrant.

His program covered the field of classics and moderns. In all languages he displayed flawless diction, and his songs in English carried the full text to his listeners. For many his finest singing came in the two operatic arias of Puccini. Graciously he changed his programmed "Carmen" aria to a request for the "Boheme" narrative. This was repturously received and his high C rang out with clarion resonance. Equally fine was his dramatic delivery of the "Tosca" aria. The audience demanded many encores and he gave handsomely.

Mr. Roney was most fortunate in his accompanist, Richmond Gale, a soloist in his own right. Brilliant support he gave, and in a repertoire that included one song which was a tour de force for the piano! His own group of piano solos by Debussy, Franck, and Rachmaninoff revealed beautiful tonal nuances and dynamics.

Russell Cerf of Simms-Walker deserves a word of commendation for his tasty floral arrangement on the stage.

Girl Scouts Give Cambrian Club Program

Girl Scout birthday week was observed at the Cambrian Home and School Club this week with Girl Scouts from troops 77 and 89 presenting an impressive court of awards and investiture ceremony. Helen Helm, executive director, and Mildred Noble, field and training director, were guests at the event.

Sixth graders, under direction of their teacher, Mrs. Phyliss Stronach, entertained members with a resume of their activities at Camp Campbell this summer.

A brief business meeting followed, with Mrs. George Petrea, president, in charge. Plans for a November 10 turkey whist were discussed. Mrs. R. J. Montrezza accepted chairmanship of the event. She will be assisted by Mesdames F. H. Oldham, Roy Stoner, M. L. Rigsbee and K. A. Allen.

At conclusion of the meeting, refreshments were served by the Girl Scouts.

RADIO CLUB

Officers of the newly organized Radio Club recently elected are Saul Estrada, president; Sumio Fujimura, vice-president; Dick Faulkner, secretary; and Roger Shaefle, treasurer.

Plans are being made by the group to visit one of the television studios in San Francisco within the next few weeks, according to club advisor Charles Stevans.

The Morse code is being learned by the members with the help of phonograph records. This is to enable them to communicate with operators of other radio stations when one is installed in the school.

As a satisfactory location for the radio station has not yet been determined, the necessary equipment has not been purchased.

Music students attended a special student matinee performance of Puccini's "Madame Butterfly" at the War Memorial House in San Francisco Thursday, October 26.

Accompanying the sixty students were Frank Triena, music director; Mrs. Rath Owen, dean of girls; and Mrs. Ugo Mazzanti, Mrs. Roy Stoner and Mrs. C. P. Klassen.

Community Club Participates In Halloween Party

Members of the Campbell Community Club and their husbands gathered in the barn of Mr. and Mrs. Donald Lantz Saturday, October 28, for a masquerade party with a Hallowe'en theme.

Decorations consisted of black and orange streamers, pumpkins and paper figures. Bales of hay provided seating space for the guests.

The group danced and played games including apple bobbing and relays. These were under the direction of Carol Cowdery.

First prize for the best costume was awarded to Florence Thompson who came as Mammy Yokum.

Donuts and cider were available during the recreation and pumpkin pie and coffee were served later.

The party committee included Mrs. Don Lantz, Mrs. Earle Clark, Mrs. Arthur Cowdery, Mrs. George Egling, Mrs. Don York and Mrs. Hector Daves.

CAMP FIRE GIRLS

Hallowe'en Success

Camp Fire Girls of Campbell expressed thanks to the residents of this community for their generous response to the "Book or Trick" Hallowe'en. Anyone who was not contacted may still make a donation by phoning Campbell 2130 or Campbell 2117.

A meeting of the Campbell Camp Fire Leaders Association will be held November 9 at 8 p.m. in the scout hall. Christmas gifts, cards and wrapping materials will be the subject of the discussion. Any ideas or suggestions from leaders will be appreciated.

All leaders, sponsors and interested parents are urged to attend.

Moorpark Bluebirds

A new group of Bluebirds has been formed at Moorpark School. It will be under the leadership of Mrs. Allan McEwin, assisted by Esther Falco. Sponsors of the new group are Mr. and Mrs. Carmin Falco, Mr. and Mrs. Wilfred Hunt, Mary Fanara and Ethel Sims.

The girls held their first meeting on Wednesday at the home of their leader, at which time the group name of the Merry Bluebirds was chosen and plans were made for a Christmas party.

Girls in the new group are Bonnie Jean Fanara, Constance Young, Gale Lund, Diane Margaret Wilson, Glenda Curtis, Darlene Sims and Patricia McEwin.

AND MRS. CORWIN H. OLDS, prior to leaving for an overseas assignment.

MRS. CORWIN H. OLDS recently returned from a month's visit with her daughter, Mrs. Delbert Baker, at Eugene, Oregon. She reports continuous rain throughout her stay and states a preference for the Santa Clara Valley.

Entertained at the home of MR. AND MRS. HERMAN RICE last Sunday were Mr. and Mrs. Arthur Tindall and their children, Terry, Keith and Alan, from Los Salvos Beach. Mr. Tindall formerly taught at the Campbell grammar school and is now principal of Salsipuedes grammar school in Watsonville.

Campbell members of Encampment 31 in San Jose went to Healdsburg last weekend where they put on the 2nd degree for the Oddfellows. Those who went were Herman Rice, Rrank Livingston, Harley Poore, Julias Bachman, Archie Bridon, Ray Kilpatrick and Ralph Gardner.

MR. AND MRS. C. L. ACKERMAN and their two children, Donald and Judy, will be moving shortly from their Esther Avenue residence into the home of the J. F. Levenburgs. They will remain there until some time in December when they expect their new home to be completed at Lafayette Oaks which is near Walnut Creek.

MRS. GEORGE S. ROBSON recently returned to her home on Campbell Avenue from the Stanford University Hospital where she underwent treatment for several weeks.

Why you should VOTE YES on No. 11

This ballot proposition corrects a defect in the law, to make it possible for an owner of land registered under the Land Title (Torrens) Act to withdraw it *if he wishes to do so.* There is now no way to do this.

The measure was passed unanimously by the State Legislature and signed by the Governor, in answer to the plea of many distressed property owners. Proposition 11 will save taxpayers hundreds of thousands a year, by simplifying the work of County Recorders, whose association has endorsed it. Proposition 11 also has been endorsed by scores of civic, labor, and business organizations, and so far as we know has been opposed by none.

Commission Denys Commercial Zone On Saratoga Ave.

Petition of W. B. Melone and L. F. Hoffman for commercial zoning on Saratoga Avenue and Prospect Road was denied by the County Planning Commission Wednesday.

Commissioners indicated that recent action of the board in granting a substantial commercial zone on the Fred Smith property south of the Quito Road-Saratoga Avenue triangle constituted ample provision for commercial needs in the area. Melone and Hoffman asked C-1 commercial zoning on the southwest corner of the intersection.

In addition, commissioners received and filed petition of 227 persons in the Fruitdale Avenue area protesting use of the San Jose Brick Works property as a garbage dump by San Jose Sanitation Service. No formal application of the garbage company has been made to the commission for use permit to continue dumping operations on the property. Commission Chairman Patrick H. Peabody has already written the company ordering it to cease and desist until such time as a permit shall have been granted.

Dot Street near Campbell was recommended for acceptance as a county road by County Planning Commisioners Wednesday. Final action must come from the County Board of Supervisors.

Paper Drive Underway At Campbell High

The annual paper drive is underway at Campbell high school. It started last Wednesday and will continue until the following Wednesday or Friday. The student body will receive $10 a ton for the paper.

Persons participating are requested to tie papers and magazines separately in bundles not over ten inches high. The paper is being weighed and loaded on the athletic field directly behind the gymnasium.

A prize of $10 will be awarded to the administrative class which collect the most paper. Individual prizes will be awarded to the five students bringing in the most paper.

"Unity, Diversity" Theme for District CTA Convention

Delegates from Campbell Union Elementary District Teachers Association attended the convention of the Bay and Central sections of the California Teachers Association at Asilomar October 27, 28 and 29.

Representing Campbell were Richard Gordon, Allene Seese, Calvin Roll and Angie Perry.

Purpose of the convention was to train committee chairmen and officers of the local teachers associations in methods of furthering education standards. Theme of the conference was "Unity and Diversity," each child being a diverse individual, and through education and character building to build for a world of peace and unity.

ANNUAL LIBRARY TEA MONDAY FOR COUNTRY WOMAN'S CLUB

Annual Library Tea of the Country Woman's Club of Campbell will be held at their next meeting in the club hall on Monday afternoon, November 6, at 2:30 p.m.

Mrs. Byron Moore of Willow Glen will give another of her interesting book reviews, the book being "Bells on their Toes" by Frank Gilbreth and Ernestine Gilbreth Carap, a sequel to "Cheaper by the Dozen."

The committee in charge of the affair is: Mrs. Walter C. Elkey, chairman, assisted by Mrs. Henry Miller, Mrs. J. C. Graham, Mrs. W. C. Henley, Mrs. R. C. Page and Mrs. R. E. Schaefle.

The meeting will be open to members and their guests, who are urged to attend.

WARREN S. SHELLY, AINSLEY DIRECTOR DIES SUDDENLY

Warren S. Shelly, 81, vice-president of the Ainsley Corporation of Campbell, and member of the board, died suddenly at his home on San Jose-Los Gatos Road Wednesday. Death was reportedly due to a heart attack. He was a native of Kansas.

Mr. Shelly, for 20 years the superintendent fo the former J. C. Ainsley Packing Company here, had lived in this area for more than 60 years. The packing plant was sold to Drew Canning Co. in 1933, shortly after Mr. Shelly retired and moved to Ben Lomond.

Mr. Shelly and his family moved back to the Campbell area after a few years, and had made their home at the present location for four years.

Surviving the longtime Campbell resident are his widow, Mrs. Virginia Shelly; daughters Mrs. Ralph McKay and Mrs. Ed Lindquist of Hollister and Mrs. Fillmore Stephenson of Berkeley; a sister, Mrs. Florence West of Hollister; one grandchild and three great-grandchildren.

Private funeral services will be conducted today, Friday, at 10 a.m. from the Place Funeral Home, Los Gatos.

'Life in Campbell' Shown At Local Kiwanis Meeting

Many visitors from San Jose and Los Gatos attended the Kiwanis meeting at the Campbell Country Women's Club last Tuesday. Eugene Barnes was chairman of the day.

Reports were given on the California-Nevada District Convention which was held last month at Santa Cruz. Those who gave reports were W. R. Morgan, Fred Jones, Herbert Shadle and William Henley.

One reel of "Life in Campbell" was shown during the meeting and the others will be shown at some future date.

Pay Phone Bills At Clark's Drugs

Beginning the first of November telephone bills may be paid in person at Clark's Drugs, 299 E. Campbell Avenue, instead of the Campbell Water Company office, according to W. E. Williams, district manager for the telephone company.

Williams said customers' mail payments and other service transactions will continue to be handled at 70 S. Market Street, San Jose 13.

Welfare Director Cites Problems of County Welfare

Mary Edith Clifford, County Welfare Department director, told of functions of this branch of the county government when she addressed Campbell Rotarians at their noon meeting Monday.

Funds for operation of the dedepartment come from three sources: federal, state, and county. Federal and state funds, plus a small proportion of county funds provided old age security for 6,147 cases, based on monthly figures, child assistance in 1,499 cases, aid to needy blind, 245 cases, and aid to partial blind.

Balance of the county money aided 967 county and general relief cases, licensing services for foster homes for children and aged.

Problems faced by the department include, she said, overload of cases for the present staff size, too many directives resolutions survey and memos from federal, through state to county levels; high cost per case (although cost of living has increased the department still operates under 1946 living standards); tremendous increase in population, inadequate facilities (the department now operates in a large overcrowded garage), and the difficult position of a county department with federal and state supervision.

Next week Frank Vance of San Jose will speak on the San Jose Merchants Credit Association.

"Turkey Trot" Set At Campbell High Gobbler To Winner

Something new has been added to the growing list of Campbell high school firsts this year.

The Bucs' first annual "Turkey Trot" will be held Friday, Nov. 17, over a specially-constructed course on the campus.

According to Junior Morgan, author or patron of the affair, the race (oops, I mean the trot) is open to all Campbell high students. Morgan, a graduate of San Jose State college, readily admitted that the event was copied after the annual jaunt held by Spartan students.

Naturally prizes will be awarded to the first three finishers. A wholesome turkey will be given to the winner. The runner-up will receive a duck with a chicken going to the third man.

A special consolation prize will be presented also. It is rumored that it may be a can of chicken gumbo soup . . . any brand desired.

Thus far approximately 50 male students have signed for the trot. The cross-country affair will be run over a designated course clearly marked with red flags.

As of now the course will be two kilometers in length, about 1½ miles . . . we think.

In a contest of this type favorites are always picked. The latest handicapper has it that Rod Kolze is odds-on choice. But Stuart Emery figures to be up close come the finish. Kolze, incidentally, copped the Valley mile last season. Both men have lettered in track at Campbell.

Confident of his personal ability Emery stated, "I'll beat Kolze by 70 yards."

Another participant that hopes to upset the turkey cart is Bob Glenzer, the day's darkhorse.

Such stalwart athletes as Jack Bray and Charlie Gibbons refused to run. So they were scratched accordingly.

The trot will be under the capable jurisdiction of several faculty members. Mr. Laurance Hill, principal of the school, will act as official starter.

Rev. C. H. Olds Attends Annual Nat'l. Guard Meet

Rev. Corwin H. Olds, minister of the Campbell Congregational Church, spent three days last week in Washington, D. C. where he was a delegate to the annual Conference of National Guard Association of the United States.

The trip was made aboard a plane of the California Air National Guard, carrying delegates from Hawaii and California. About three hundred delegates were present from all forty-eight states, the territories, and District of Columbia.

As a colonel in the Chaplain's Corps., Dr. Olds is state Chaplain of the California National Guard, the California Cadet Corps., and the California Defense and Security Corps.

Farm Labor Office At New Location

San Jose Farm Labor office moved to its new quarters at 970 S. First Street, on Wednesday. Phone number for the office will remain the same. CY 4-0244.

Mail Early For Christmas Urges Postmaster Grim

Postal patrons in this area are reminded by Postmaster Ira Grim that November 15 is the deadline for mailing all packages destined for overseas delivery, but the department urges that such parcels be sent as soon as possible.

In order to carry the mail-early story to the public, the Post Office Department is presenting a series of four radio programs over the Mutual Broadcasting System network.

Postmaster Jesse M. Donaldson will appear on the first broadcast known as Washington Report, which will originate from Washington, D.C. on Sunday, November 5, from 2:45 to 3 p.m. (EST). First presentation will be "American Ships Carry the Mail."

Other programs, all dramatic documentaries, in the series are scheduled for November 19, "American Railroads Carry the Mail"; December 3, "United States Airlines Carry the Mail"; and the final show on December 17, "Uncle Sam Delivers the Mail." All will appear on Washington Report.

Communion To Be Held At Baptist Church This Sun.

"Bought With A Price" will be the topic of Rev. Lyle E. Cushman for the Communion meditation in the morning worship service of the Campbell Baptist Church at 11:00 a. m. this Sunday.

In the evangelistic Sunday evening hour at 7:30 p. m. the pastor will speak on the topic "A Cake, Half-Baked". An hour of singspiration and testimony will precede the message.

Classes for all ages will be conducted at the Bible School which meets at 9:45 a. m. The Youth Fellowship meets Sunday evenings at 6:30.

Mid-week Bible Study and Prayer Hour will be held Wednesday at 7:45. The Hobby Craft Club meets Friday at 6:30.

Mail should be carefully marked, and adequate postage should be provided. Gift packages must be carefully and tightly packed in strong durable containers.

Be Sure YOU Vote . . . Nov. 7

The Campbell Citizens Committee for Good Government after careful examination of the qualifications, platforms, and principles of the candidates running for the offices of Governor, United States Senator, Attorney General, and Assemblyman (29th District) makes the following recommendations:

GOVERNOR EARL WARREN — X

U. S. SENATOR RICHARD NIXON — X

ATTORNEY GENERAL EDWARD S. SHATTUCK — X

ASSEMBLYMAN (29th DIST.) CHARLES S. GUBSER — X

Each of the above candidates recommended has proved himself capable of independent thought and action without blind reference to strong partisan principles. Each of the candidates recommended shares the same will to fight Communism at home and abroad. Each of the candidates recommended believes implicitly in a strong, free and intelligent American Democracy. Each believes in a strong national and civil defense against aggression, and a domestic policy that is fair to labor, industry and agriculture.

Taxpayers' Group Organizes To Fight Propositions 1, 6

Formation of a Committee Against Propositions No. 1 and No. 6 was announced this week by the Santa Clara County Taxpayers' Association. Headed by T. A. Minardi, San Jose civic leader, a drive for funds to finance an educational campaign already is under way, with Ed Carlson as chairman of the finance committee. Louis D. Null is organizing secretary.

Opposition to Proposition 1 (to abolish the personal property tax) and to Proposition 6 (to legalize gambling) has come from the California Chamber of Commerce, the California Congress of Parents and Teachers and the California State Farm Bureau.

"Legalizing gambling would increase gangsterism, rackets, crime and civic corruption in this state," said Minardi. "This is the experience in Nevada, the only state which legalizes all forms of gambling. Recall the recent gangland murder of Bugsey Siegel, Las Vegas gambling operator."

Minardi feels the proposed legislation would encourage gambling and vice to the school children, "since the proposal permits gambling establishments as close as 600 feet to churches and schools.' feet to churches and schools."

Carlson stated one of the arguments against Proposition 1 stems from the reduction in school revenue which would take place if personal property tax is eliminated.

"If Proposition 1 is not defeated, approximately 21 per cent of the net taxable valuation of Santa Clara county would be eliminated and this amount of revenue would have to be made up by raising the real property tax, by levying a gross manufacturers' tax or by increasing the already heavy sales tax," he declared.

Freeholder Asks Yes Vote On New County Charter

The new and improved county charter, up for approval November 7, should not be confused with the old charter, now snarled again in the courts, advises A. J. Price of Los Altos, twice-elected charter freeholder.

A "yes" vote for the "County Measure" on next Tuesday's ballot is even more important now, he points out, since the state supreme court will not decide whether or not the 1948 charter is valid until long after the election.

"Besides," Price added, "the new charter is vastly superior and will supersede the old one, even if the latter is found valid.

"The new charter was prepared by the same board of freeholders when the old one was tied up for two years in the courts. It had the benefit of added experience, advice and thought.

"It provides even tighter control of fiscal operations of all county offices and the administration of health and welfare activities—both subjects of present grand jury investigation.

"It is more concise and specific in its language and it strengthens civil service provisions to select, encourage and advance the best county employees, without protecting the occasional loafer."

Local Sportsman Bags 500-Pound Elk In Mid-Idaho

Fred N. Shepherd, prominent Saratoga sportsman, brought back one quarter ton of elk to prove the success of his hunting trip into the more remote regions of Idaho late last month.

A retired executive vice-president of the American Bankers association, Shepherd bagged the 500-lb. animal on a week's jaunt up the mid-fork of the Salmon River.

He and five other nimrods, plus packer and guide, killed eight elk, each man getting his limit.

Two trucks and 19 pack mules formed the safari into the primitive area of Central Idaho. Rain and foot-deep snow were encountered frequently.

Shepherd used a 300-Savage rifle to bring down his prey.

Buc Eleven Eager For Bellarmine Battle

Gridders Eye Initial Win Tomorrow; Show Promise In 32-19 Win To S. C.

Though still winless after five games the Campbell Bucs are about ready to make up for lost ground.

Tomorrow night may well be the time when Coach Jim Muir's eleven breaks into the win column. His charges tangle with the formidable Bellarmine club at Townsend Field, Santa Clara.

Not that the Bells are any push-over. Far from it. Sporting three wins in six games, the prep school features a snappy T formation attack that has chalked up 77 points thus far this season.

But if last Friday's tilt against unbeaten Santa Clara is any indication, the Bucs are priming a pretty fair offense themselves.

True, they lost, 32 to 19, but before the final whistle blew, the Missionmen knew they had a ball game on their hands.

Bellarmine relies equally upon its running and passing game. In Jim Baldacci and Brad Bailey, they have two capable passers. Among several able runners, Andy Rao and Harry Balucchi loom as chief threats.

Defensive-wise, the Bells can muster a forward wall averaging 175 pounds. It is a fairly stubborn line when yielding touchdowns are concerned. In their six games thus far, the Bells have been nicked upon for 51 points, a little better than a TD per tilt.

Following is a brief resume of the scoring plays in the Panther-Buc contest:

Santa Clara took the kick-off and ran it back to their 37-yard line. A series of line plays netted three quick first downs. With the defense drawn in, Quarterback Don Ewbank heaved a 15-yard pass to Ed Moreno for the game's first touchdown. Try for extra point was good. Score: SC 7 - CU 0.

The Bucs fumbled the second SC recovering on the Campbell 37. After a few line bucks, Al Cabral, rugged fullback, scored from 24 yards out. Try for extra point no good. Score SC 13 - CU 0.

Early in the second period with the ball on their own 37 SC scored on one of the nicest pass plays seen this year. Ewbank faded back and tossed a long hope pass that was caught by Bob Vaughn on the dead run. He easily outraced the Buc secondary for the Panthers' third TD. Try for extra point no good. Score: SC 19 - CU 0.

The Bucs then put on a 72-yard drive that petered out on the Panther two-yard line. The first half ended with no further scoring.

Campbell took the kick-off starting the second half but several penalties damped any scoring chance. Frank Calabray then punted to Dan Castellanos who took the ball on his 40. Behind exceptional blocking he went all the way. Score: SC 25 - CU 0.

From this point on Campbell literally caught fire to dominate the rest of the game.

They recovered a Santa Clara fumble on the Panther 22. After making one first down, Calabray went over from the one-yard line. Try for point by Yamashita was wide. Score: SC 25 - CU 6.

With the ball in their possession on their 34, the Panthers shook Castellanos loose again for 66 yards and SC's fifth TD. Try for extra point was good. Score: SC 32 - CU 6.

Campbell ran the kick-off out to their 17-yard line. On the next play Bob Saia scampered 83 yards for the Bucs second TD. Try for point was no good. Score: SC 32 - CU 12.

In the last quarter, Dave Baxter connected with a long pass to John Hoover down to the Panther 7-yard line. Fullback Charlie McBain scored from four yards out. Yamashita's kick was good. Score: SC 32 - CU 19.

Campbell had another great scoring opportunity later when Bill West, stellar guard, blocked a Panther punt on SC's 13. But the threat went for nought when Baxter fumbled a few plays later.

Santa Clara had the ball on their 15 when the game ended. Final score: Santa Clara 32 and Campbell 19.

Bucbabe's Lose To Bellarmine Eleven

Bellarmine JV's, winless in three games this year, found the Campbell Bucbabes at low tide yesterday afternoon and walked off with a 24 to 7 win on Campbell's gridfield.

Leading at half time by the score of 7 to 6, the Bucs fell apart no end, becoming listless for the first time this year.

Junior Morgan's crew will attempt to get back on the ball next Thursday when they meet Willow Glen on the latter's home field.

Encephalitis In Campbell

Sport Shorts

By JERRY THOMAS

SOMEDAY SOON . . . Play by play, game by game, and week after week Coach Jim Muir & Co. have been nursing, tutoring and explaining the rudiments of football to a crew of green sophomores and juniors at the local high school.

Just five short weeks ago any similarity between a football team and what cavorted about on the local gridiron was highly imaginative.

But one of these days (pardon me, Miss Tucker) perhaps not until next season, Campbell high will find itself with a grid eleven capable of doing big things in the chase for SCVAL laurels.

Down 25 to 0 and 32 to 6 at various stages of their tussle with Santa Clara, the Bucs showed more gumption and potential in the second half than they have all season, although they lost, 32 to 19.

The score at half time was 19 to 0 with the Panthers completely dominating the game.

But in the second half the Buc woke up with both eyes staring in one direction . . . toward S.C.'s goal line.

In all, the local gang tallied three touchdowns in the second half. Quite an evening's work considering the mere fact that in four previous games the Panthers yielded but one TD.

We noted an increasing bit of statistics on the side. As in the Washington contest, the Bucs registered eight first downs as compared to six for the Panthers.

Figures don't lie, at least they aren't supposed to. In the second half Santa Clara gained but one first down while the Bucs racked up four of them.

Darn it, guess figures do prevaricate slightly. First downs statistics neglect to include the two long runs made by Santa Clara's scat-back Danny Castellanos. In the third quarter he scampered 60 and 66 yards to pay dirt. All halfbacks should get dirty that way.

But the Bucs were not to be outdone, at least in the long-range department. On the first play from scrimmage following Castellanos' second jaunt, Bob Saia took a handoff on his 17-yd.-line from quarterback Dave Baxter and cut inside his right tackle. Once past the line he outran the secondary to the near sidelines behind some decent blocking. At about midfield he reversed his field, out-guessed three panting panthers and dashed goalward.

For the last thirty-odd yards Saia had a three-man honor guard ready to upend any belligerent foe. That play alone proved the capabilities that the Buc squad possesses.

We believe that pound for pound the Campbell backfield of Saia, John Perata, Frank Calabray and Charlie McBain is as good as many of the more heralded quartets about the valley.

Now that the neophytes up in the front line are learning their tricks through the best tutor, experience, we are sure that the attack will improve accordingly. And no longer will the backs be forced to scamper solo-like once past the neutral zone. They say that there is safety in numbers. So far as Muir is concerned a total of about three blockers in front of his ball carrier is the safest digit yet derived.

POSTALLIN' . . . Incidentally Duane Burrows and Al Yamashita were brought up from the junior varsity last week for the aforementioned tilt.

Burrows, a quarterback that has completed about 80% (unofficial) of his passes in JV frays, did not see action. But Yamashita, stellar place kicker for the Bucbabes, was used exclusively for kickoffs and try for extra points. He proved himself more than useful once overcoming a case of understandable jitters.

He booted one extra point following the final TD. The second half found his kick-offs sailing into the end zone, assuring no dangerous returns by Castellanos and mates.

Grammar Schools Ready For County Basketball League

All elementary school male P.E. teachers will meet Monday, Nov. 6 at the Burbank school to iron out plans and schedules for the forthcoming County Elementary School Basketball League.

Tentatively, the county will be divided into divisions similar to last year's set up. According to Neil Royer of the Campbell Elementary school, the local schools will be in the West Side division.

Approximately 30 teams from various grammar schools will form this season's loop. Each team will play 10 games with winners of respective divisions meeting in playoffs to decide an ultimate winner.

Campbell will enter an "A" and "B" team. Players for these squads are determined by exponent charts recorded by every grammar school. Age, weight, and height are the deciding factors.

Royer, who will coach both local teams, said that his "A" squad will be composed of boys weighing 90 to 110 pounds, 13-14 years in age, and 5'6" - 6 feet in height.

Last year the Campbell A team finished with a respectable .500 average. The B's proved more fortunate, going as far as the play-offs before falling to Los Gatos.

At this writing the County league is scheduled to start play Dec. 1 but Monday's session may prove otherwise.

MRS. WALTER WILLIAMS and her son, ROLAND, have motored to Minnesota where they will spend a month visiting relatives.

Lightweights Trim Los Gatos Twice

The Campbell lightweight basketball teams proved rugged hosts last night as they defeated the C and D squads from Los Gatos.

The 10's won their first game of the season by trimming the Wildcat counterpart, 21 to 16. Captain Hoover led the locals with 10 points.

Harold Shumway topped the 20's as they outlasted the Los Gatos 20's, 24 to 20. Shumway, top scorer on the squad, tallied 13 points, high for the season for a single game.

Teammate Bob Yamashita accounted for four points.

The locals play host to Gilroy's two lightweight teams Monday afternoon.

Sierra Fish And Game Film Shown

"Sierra Fish and Game," popular PG&E film was shown at the meeting of the San Tomas Men's Club next Friday, November 3. The sound movie, in full color, showed mountain streams, lakes and woods of the Sierras. It inncluded spectacular shots of trout, steelhead and salmon fishing, along with rare views of deer, flying formations of geese and mass flights of tens of thousands of wild ducks.

Fish and game editors of metropolitan bay area newspapers have labelled the film a leader in its field.

Due to great demand for the film by other organizations, this was the only time it will be shown in this area within the near future.

Cake Half-Baked Is Sermon Topic For Baptists

"A Cake Half-Baked!" was the topic for the evangelist Sunday evening hour at 7:30 o'clock in the Campbell Baptist Church, as announced by the pastor, the Rev. Lyle E. Cushman. The service was opened with an hour of singspiration and special music is provided. A "Believer's Baptismal Service" is planned for this hour.

At the 11 o'clock morning worship hour the pastor spoke on "Burning up Opportunities." A growing Bible School met at 9:45 a.m. with classes for all ages. An adult Bible class is taught by Mr. William Carney. Parents are invited to bring their children and stay for the Bible school session. Special attendance contests are being conducted with awards presented the winners.

The newly organized Youth Group met at 6:30 p. m. Sunday.

Last Wednesday at 7:45 a Bible Study and Prayer Hour was conducted at the church. The pastor is engaged in a series of studies in the book of Galatians.

The Hobby Craft Club meets Fridays at 7:30 p.m. Children in the community are invited to attend.

Local SDA Church Raises Funds For Mission Work

Seventh Day Adventist Church of Campbell raised $1,235 for missions during 1950, R. C. Baker of San Jose, president of the Central California Conference announced today.

Pacific Union Conference of SDA raised $496,316 altogether during the denomination's 1950 annual public solicitation of funds for missions, C. L. Bauer, conference president, announced. Three hundred and forty-six churches in California, Arizona, Nevada, Utah and Hawaii participated.

Funds received are used to maintain and equip training schools, hospitals, clinics, leper colonies and floating dispensaries on the rivers of South America, and furnish food and clothing to foreign lands. Welfare work in the form of medical care, disaster relief and gifts of food and clothing to those in need is supported in this country.

The FARMERS CORNER

by Ralph H. Taylor
Executive Secretary
Agricultural Council of California

A PARAMOUNT ISSUE

Among all the many and tangled political issues before the people of California—and indeed the entire Nation—one seems paramount because of its importance to our entire way of democratic life. It is the issue of whether self-perpetuating bureaucracy or self-governing democracy shall prevail as the dominant force in our Government.

AN UGLY INSTANCE

Right now Proposition 10 is under discussion, pro and con, over the State. The immediate issue centers in any part of the State where a permanent, low-cost housing project is contemplated by a Government housing authority, and is whether the local voters will have the right to approve or reject the project by popular vote—or whether the authority for such construction shall remain, as it is now, vested solely in the housing authorities.

But an ugly development in the campaign on this Proposition—a development having nothing to do with the issue of whether the people should or should not have the right to vote on housing projects—came to light in Kern County recently. This was when John I. Hennessy, executive secretary of the Homebuilders Council of California, came into possession of a letter written to all employees of the Kern County Housing Authority by the Authority's executive secretary, Fred E. Widmer.

A STARTLING PROPOSAL

The Widmer letter stated, in part, that "To survive, we must put up a successful fight to bring out a 'no' vote on Proposition 10. To do this we have hired one of the best professional agencies to conduct the program—and this costs money." Then the letter goes on to baldly ask of every employee that he kick back a percentage of his salary each pay day to help finance the campaign against that Proposition.

The question at this point is not the merits or demerits of the Proposition—but whether or not, as Mr. Hennessy charges, the Kern County Housing Authority executive has not violated the limitations of his authority. The Federal Government specifically provides that no officer or employee of a federally financed agency may in any way solicit funds from employees for political purposes. That such apparently has been the case should alert every Californian to the underlying issue involved in Proposition 10, so that votes can be cast accordingly.

WHOSE SURVIVAL?

It is unmistakable that the campaign for "survival," as the Widmer letter termed it, is survival of the Public Housing Authorities. The basic issue, then, in Proposition 10 is very much more far-reaching: Shall an agency of Government determine its own fate, or shall the people who are the Government do so? Shall self-perpetuating bureaucracy or self-governing democracy prevail?

STOP THE "FIX"

Wide-open, commercial gambling would be "fixed" in California if the promoters of Proposition No. 6 put over their scheme.

The promoters *name themselves as a 5-Man Gambling Commission* with *absolute power for six years* to make their own rules, issue and revoke gambling licenses, and run their own gambling establishments.

They would be handed 6 million dollars from the State Treasury just to get started! And they could send *you* to jail for playing penny-ante poker at home if you didn't get a license from them first!

Under Proposition No. 6, gambling spots would be *exempted from local taxes*—yet local communities would be burdened by the huge cost of *increased police protection* against the horde of racketeers, gangsters and hoodlums that Proposition No. 6 would attract to California.

NEW DRIVER TRAINING CAR FOR CAMPBELL HIGH PRESENTED BY DEALER BOB COYLE AND CSAA

Campbell Union High School students enrolled in the automobile driving class will have the use of a new sedan, loaned for the current school term.

The new automobile, equipped with dual brake and clutch controls, has been loaned to the school by Bob Coyle Chevrolet Company of San Jose. Delivery of the new car was made by Bob Coyle, president of the Chevrolet agency, to Principal Laurance J. Hlil.

Arrangements for replacement of the car used last year with a new Chevrolet were handled by Melville B. Duffey, district manager for the California State Automobile Association, which is leading the movement in northern and central California for establishment of behind-the-wheel driver training courses for high school students.

M. F. Hughes, member of the high school faculty, is in charge of driver education and training at the school. Driver education, consisting of classroom instruction in the principles of highway safety, motor vehicle law and other elements of safe driving, is now a compulsory course for high school students, under state law. Behind-the-wheel training, however, remains optional.

More than 60 high schools in CSAA territory have taken advantage of the dealer cooperation plan, developed by the American Automobile Association, through which cars are loaned to high schools for driver training by local dealers. Under this nationwide program, all arrangements for the loan of dual control cars to high schools are handled through the AAA and its affiliated clubs. The schools incur no expense other than the car's operating costs and the necessary insurance coverage.

The new Chevrolet replaces a sedan which was loaned to Campbell High School last year by Garden City Chevrolet Company of San Jose. Replacement of the car is in accordance with the terms under which these cars are loaned to high schools for a school year, or until the car has run 8,000 miles.

In addition to arrangements for the loan of the driver training car, the CSAA assists with the driver education course by making available, at cost, the AAA textbook, "Sportsmanlike Driving," and by furnishing without cost other material needed for classroom instruction.

Defeat the Tax Shift Scheme!

Proposition No. 1 would remove all personal property from taxation in California. The revenue loss (some 200 million dollars a year) would have to be made up from other tax sources—most likely from sharply increased taxes on small property owners, increased sales taxes, or both!

The bulk of personal property taxes is paid by a special class of business concerns who own little or no real estate, but have large investments in inventories, parts and equipment.

Proposition No. 1 is an attempt on the part of a few to shift their rightful share of the cost of government to the general public.

Don't pay somebody else's taxes!

OFFICIAL NOTICE OF SALE OF COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, CALIFORNIA.

NOTICE IS HEREBY GIVEN, that sealed proposals will be received by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, State of California, at the chambers of said Board, Room 21, County Courthouse, San Jose, California, on Wednesday, the 15th day of November, 1950, at the hour of 10:00 o'clock A. M. (Pacific Standard Time), for the purchase of Four Hundred Fifty Thousand Dollars ($450,000.00) principal amount of bonds of County Sanitation District No. 4 of Santa Clara County, State of California, more particularly described below:

ISSUE

Four Hundred Fifty Thousand Dollars ($450,000.00) principal amount, consisting of four hundred fifty (450) bonds of the denomination of One Thousand Dollars ($1,000) each, numbered as more particularly hereinafter set forth in the Maturity Schedule, all bonds dated January 1, 1951, and designated "Series C". Said "Series C" bonds are a part of an issue of $1,650,000.00 principal amount authorized at an election held in said County Sanitation District No. 4 on November 8, 1949. "Series A", consisting of Four Hundred Thousand Dollars ($400,000.00) principal amount of said total authorized issue has heretofore been sold and is now outstanding. "Series B," consisting of Four Hundred Thousand Dollars ($400,000.00) principal amount of said total authorized issue has heretofore been sold and is now outstanding. The remaining $400,000.00 principal amount of said authorized issue will not be sold prior to April 1, 1951.

INTEREST RATE

Maximum six per cent (6%) per annum, payable annually for the first year on January 1, 1952, and semi-annually thereafter on January 1 and July 1 in each year.

Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter per cent per annum, payable semi-annually, except the first year.

MATURITIES

PAYMENT

Both principal and interest payable in lawful money of the United States of America, at the office of the County Treasurer of the County of Santa Clara, in San Jose, California.

REGISTRATION

Coupon bonds will be issued by the District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE

Such bonds are authorized for the purpose of obtaining funds for the construction of a system of trunk sewers, mains and outfall sewers, pumping stations, such treatment works as are necessary and all equipment necessary in pumping and treating sewage, including the acquisition of any real or personal property or interest therein, necessary or convenient for the construction of a sewage system and sewage disposal plant, all as more particularly set forth in the report of the District Engineers, approved and adopted July 5, 1949, by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, pursuant to an election held in said Sanitation District on the 8th day of November, 1949, and approved by more than two-thirds of the votes cast thereat.

DISTRICT

County Sanitation District No. 4 of Santa Clara County was organized on the 1st day of November, 1948, under the provisions of the County Sanitation District Act, being Chapter 3, Part 3, Division 5, of the Health and Safety Code of the State of California, and comprises unincorporated territory of the County of Santa Clara, the City of Los Gatos, Saratoga Sanitary District and Campbell Sanitary District.

SECURITY

Said bonds are general obligations of County Sanitation District No. 4 of Santa Clara County, and the Board of Directors of County Sanitation District No. 4 has power and is obligated to cause an annual tax to be levied upon the real property in said District subject to taxation by said District, without limitation of rate or amount, for the payment of said bonds and the interest thereon.

TAX EXEMPT STATUS

In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax Authority or Official which is followed by the Bureau of Internal Revenue, or by the decision of any Federal Court, the successful bidder may, at its option, prior to the tender of said bonds by the Sanitation District, be relieved of its obligation under the contract to purchase the bonds, and in such case the deposit accompanying its bid will be returned.

LEGAL OPINION

The legal opinion of MESSRS. ORRICK, DAHLQUIST, NEFF & HERRINGTON, of San Francisco, California, approving the validity of said bonds, will be furnished to the successful bidder without charge.

TERMS OF SALE

Highest Bid: The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from date of said bonds to the respective maturity dates thereof, at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid according to thirty-day month standard four decimal municipal bond interest tables. The purchaser must pay accrued interest from date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

Right of Rejection: Sanitation District reserves the right in its discretion to reject any and all bids, and to waive any irregularity or informality in any bid.

Prompt Award: The said Sanitation District will take action awarding the bonds or rejecting all bids not later than twentyfour (24) hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given said Sanitation District notice in writing of the withdrawal of such proposal.

Prompt Delivery: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Santa Clara County, in San Jose, California, as soon as the bonds can be prepared, which is estimated to be January 2, 1951.

Right of Cancellation: The successful bidder shall have the right, at its option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to February 5, 1951, and in such event the successful bidder shall be entitled to the return of the deposit accompanying its bid.

Form of Bid: All bids must be unconditional for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope, addressed to the Board of Directors of County Sanitation District No. 4 of Santa Clara County, and endorsed "Proposal for Bonds of County Sanitation District No. 4 of Santa Clara County", and mailed or delivered to said Board at Room 21, Santa Clara County Court House, San Jose, California.

Bid Check: With each bid must be submitted a certified check or cashier's check for $2,500.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Santa Clara County, to secure said Sanitation District from any loss resulting from the failure of the bidder to comply with the terms of its bid. In addition, bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

GENERAL INFORMATION

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices. That there is presently outstanding bonded indebtedness of said County Sanitation District No. 4 of Santa Clara County, principal amount of $800,000.00, constituting "Series A" and "Series B" of said aggregate authorized issue of $1,650,000.00.

DATED: October 25, 1950.

RICHARD OLSON
Secretary of the Board of Directors of County Sanitation District No. 4 of Santa Clara County.

Legal proceedings are now pending involving the validity of the annexation by the City of San Jose of Bradley Manor No. 3 area. The assessed valuation of taxable property within Bradley Manor No. 3 area is $1,877,930.00. If it is finally determined by the Courts that Bradley Manor No. 3 area was legally annexed to the City of San Jose said area upon such annexation by operation of law ceased to be a part of the Campbell Union High School District and the assessed valuation of taxable property in the District would be reduced to $22,720,390.00. In the opinion of bond counsel the legal proceedings questioning the validity of the annexation of Bradley Manor No. 3 area to the City of San Jose do not affect the legality of the bonds of the District or the right of the District to issue and sell the bonds as herein set forth, but the assessed valuation of all taxable property in the District upon which taxes may be levied for the payment of principal and interest of the bonds may be reduced depending upon the outcome of said litigation. The amount of bonds previously issued and now outstanding is $56,000.00.

Campbell Union High School District has been acting as a school district under the laws of the State of California continuously since June 1, 1900.

DATED: October 30, 1950.

County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Santa Clara, State of California.

Election

Combined Social Studies classes of Rooms 4 and 14 are busily engaged in planning an election in which all 210 eighth grade students will cast their ballots for public officers the same day adult voters do.

The election will be held in Room 14. Boys of both rooms are erecting a voting booth where students will cast their secret ballots. The purpose of the election is to prepare the students for voting intelligently in a democracy.

Pre-election debates and speeches are planned. Students are also writing for campaign literature and pictures of candidates.

On Wednesday, Nov. 8, a student election board will compare school election returns with those of the State.

Primary Party

Last Tuesday our second grade joined in the Hallowe'en fun with all the other primary grades. We had a special assembly in the morning, wore our costumes, and sang our favorite Hallowe'en songs. Some of the boys and girls recited poems.

"Community Helpers" is our unit of work in the second grade. We have been studying about community helpers in our town. We are now planning to build our own community in the classroom out of cardboard boxes. Some of the buildings will be the post-office, drug store, grocery store, firehouse, bank and the library.

MOORPARK SCHOOL

Mr. Bondelie's sixth grade class at Moorpark School had a Hallowe'en party on Tuesday. We had entertainment committee, food committee, and decoration committee.

We played games such as pin the tail on the donkey, pin the tail on the cat, and dunked for apples. We decorated the window with witches, bats, ghosts in graveyards, pumpkins and moons.

We also had a parade with people wearing masks and costumes. Ice cream and candy were served at the end of the party.

SAN TOMAS SCHOOL

The goblins were really out at San Tomas Tuesday night. At seven o'clock they began creeping in from all the dark corners. Goblins and spooks of different sizes gathered in the various rooms and the fun began. After a lively game hour there was a costume parade. Judges selected a number of the best costumes and prizes were awarded to the three best which were singled out by the applause of the audience.

As the clock struck eight the goblins decided it was the hour for the traditional "Trick or Treat," and P.T.A. mothers served them ice cream.

In the afternoon each class at school had a Hallowe'en party. We didn't wear our costumes as we were saving them for the night party. But we did pin the tail on the donkey, bob for apples, and top the afternoon off with punch, cookies, and Hallowe'en candy.

Methodist Board Meets Sunday

"Religion in a Corner" is the topic of Rev. L. J. Osborne's sermon on Sunday morning at the Methodist Church. The church choir, under the direction of Mr. Arthur Huff, will sing an anthem. Mrs. David Rutherfold will play the organ for the service.

The Official Board of the church will meet at 4 o'clock Sunday afternoon, and the Methodist Youth Fellowship will meet at 7 o'clock. The Membership Class will meet at the parsonage on Thursday evening at 8 o'clock.

LOOK OUT FOR THIS ONE!

There is an attractive political "gift" package being offered the taxpayers of California in the form of Proposition No. 1 on the November 7 General Election ballot. It bears the enticing label "tax repeal". It would, if passed by an unwary electorate, repeal personal property taxation in California. That sounds very nice! But if the people should accept that alluring package at the pole, they will, on opening it, loose a very Pandora's box of evils on their State.

WHO WOULD BENEFIT?

It should be understood that personal tax revenues in California are huge—amounting to nearly one-fourth of all State and local revenues collected. However— and and a major "however" it is—the vast bulk of personal property taxes are not paid by the millions of average home owners and farmers and small busines and professional men. The personal property tax of the average householder runs from $6 to $10 a year—a trifling fraction of his total tax burden. The BIG producers of personal property tax revenue are a minority of manufactures and businessmen who are taxed for millions of dollars for large inventories of equipment, parts, and goods.

WHO WOULD LOSE?

1. The school children of California would lose. School districts in California derive, on the average, about 22 per cent of their operating and building revenues from personal property taxation. Chaos in education would immediately result.

2. California cities and towns would lose millions of dollars in revenue.

3. Every farm and home-owner, and every renter of business or residence property, would lose, because the huge loss in public revenues would have to be made up from tax sources—from heavy increases in such sources as real property taxes, sales taxes, and possibly even local income taxes.

San Francisco officials estimate that if the personal property tax is killed the average home-owning citizen will save about NINE dollars from abolishment on his personal property tax but would pay an increase of EIGHTY-FIVE dollars in his real property taxes on his home. So this "tax repeal" measure would actually cost him SEVENTY-SIX dollars each year from now on!

In varying ratios, new and high tax penalties would be imposed, inevitably, on taxpayers in all cities and communities over the State.

THE BASIC FALLACY

Any sane person knows that the total of tax payments by all citizens is not going to be reduced this year or in any near future year. Because of Korean campaign and rearmament costs, taxes are already on the upgrade and will go higher. Many of the backers of Proposition No. I own little or no real estate in California— and only through personal property taxes may they be required to bear their fair share of police and fire protection and other public services they enjoy. This measure baldly, and unfairly, proposes to shift their rightful tax obligation to the backs of an already tax-burdened public.

False Alarm

That fire alarm Thursday at about 1:42 p.m. was a false alarm, the department reports. A telephone lineman was working on the pole near the Campbell Avenue fire station and accidentally touched off the signal.

PHYLLIS YOUNG NEW PRESIDENT OF FELLOWSHIP

Phyllis Young has been elected president of the Campbell Methodist Fellowship. The other officers are: Tom Osborne, vice-president; Nancy Titus, secretary; Boyd C. Fair, treasurer. Rev. Wayne Kessel, the District Director of the Methodist Youth Fellowship, installed the new officers at an impressive candle-lighting service last Sunday evening.

The new officers met this week with Rev. L. J. Osborne, the pastor of the church, and outlined the activities of the youth group for the next two months.

Sunday evening at 7 o'clock the group will have a worship service led by Nancy Titus, and a discussion led by Phyllis Young on the subject, "Election Issues." Various members of the fellowship will present views on the coming elections. A surprise pilgrimage will be conducted to one of the church homes for games and refreshments. Mr. and Mrs. Ward Edsinger are counsellors of the group.
